

Some guy sleeps
on his back.
Except it is not
a bed, but a
chair.

Alarm clock
wakes him up.

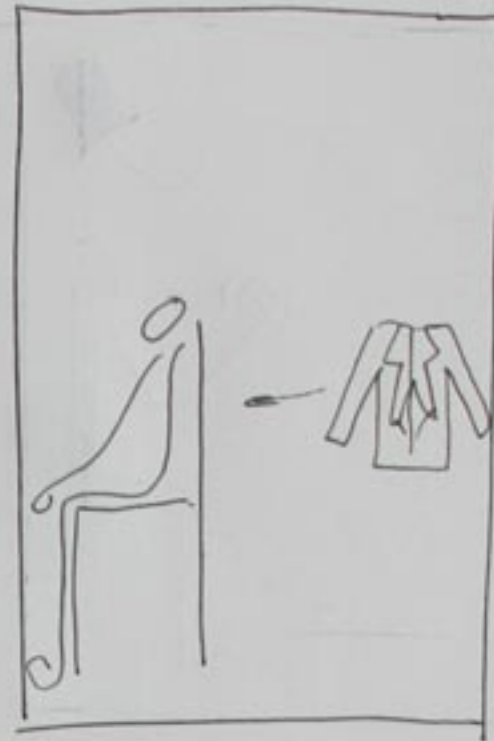

The chair (with
the guy) gradually
shifts from
horizontal to
vertical position.

X

A short ~~short~~
step by step
appear on him.

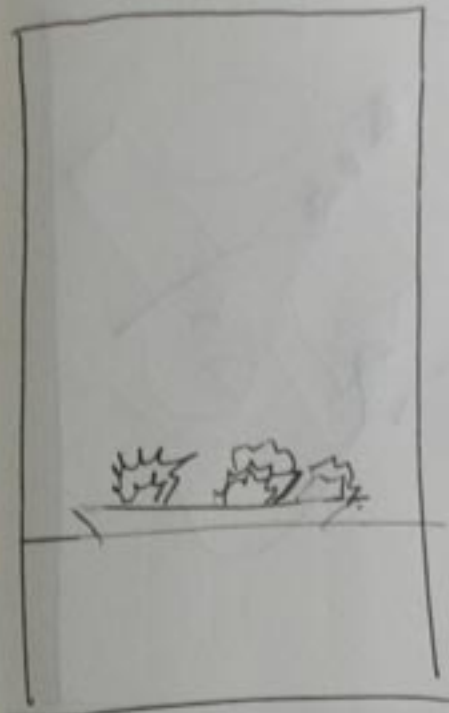

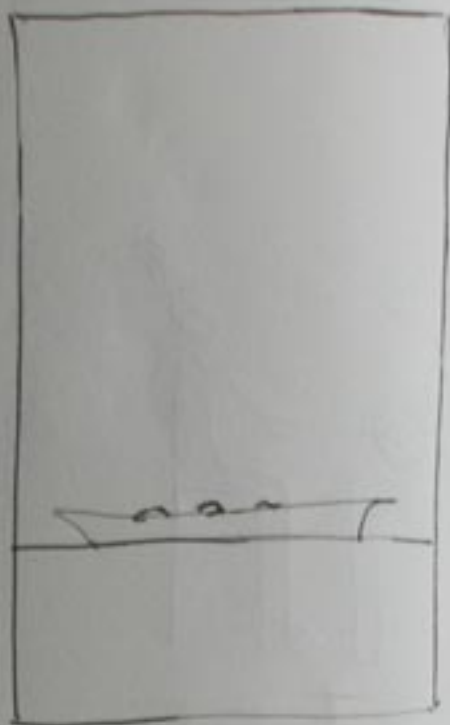

He ~~clips~~
and a jacket
appears on him.

Note: In ^{the} final version
he's not sitting on the chair
during this scene (with clothes
and ~~the~~ hat)

Scrambled eggs
are cooked.
Then he casts
a sandwich,
which appears
in a similar
way as a ~~short~~
~~short~~ earlier.

Before starting
to eat he takes
his hat off
and then a
mosquito flies
out of ~~the~~ ^{the} hat.

X
Another clap,
and a hat
appears on
his ~~head~~ head.

X
He makes
a table do
come do him.

X
He sits on the
chair and starts
to make some
breakfast.

X
He casts two
eggs: one from
behind of his
head and the
other from the
sleeve of the
jacket.

He is distracted
by the mosquito
and tries to
catch him
Mosquito is
represented
by a noise
~~shot~~ without
any visuals.

He tries
to prick
the mosquito
with a fork.
Then accidentally
he crashes his
head in a
camera and
everything
goes ~~black~~
black.
